

The screenshot shows the control panel for the dsp1_s0219a system. At the top left, the time is 12:29:38. The top right corner displays the identifier dsp1_s0219a. The panel is divided into several sections:

- Top Section:** Contains a series of icons representing different system components, some with checkboxes. A yellow box highlights one of the icons.
- Left Section:** Displays the following information:
 - E: 0
 - W: 556
 - M: 520 (highlighted in a yellow box)
- Bottom Section:** Features a row of six function buttons labeled F1 through F6. F1 and F2 are represented by document icons. F3 is a cross icon with '10t' and a checked box. F4 is a crane icon with '81K.1' and a checked box. F5 is a red box containing 'OK!' and a checked box, with a red arrow pointing to it from the right. F6 is a red box containing a right arrow icon.

Three numbered arrows point to specific elements: Arrow 1 points to the 'W: 556' label; Arrow 2 points to the 'M: 520' label; Arrow 3 points to the 'OK!' button in the F5 position.
